

A festive Easter-themed background featuring a wooden table surface. In the top left, a green and white checkered cloth is partially visible. Scattered around are various Easter eggs: some speckled, some white with green floral patterns, a yellow one with a white flower, a green one with white polka dots, a brown one, and a blue one with white flowers. There are also yellow flowers, a blue ribbon, and three paintbrushes with yellow, green, and blue bristles at the bottom.
